CLEANLINESS & SAFETY FIRST

We are working with a leading hospital cleaning company to programmatically test, verify, and train our staff on all aspects of keeping our property clean. Our staff has gone through new training protocols to ensure that all guest rooms, common areas, and often-touched surfaces are cleaned rigorously and frequently. Our team has been cross-trained on all COVID-19 protocols and wear protective masks and equipment at all times.

SOCIAL DISTANCING & FACEMASKS

Clear signage and markers are installed throughout the property to ensure intuitive social distancing. In addition, our team will wear protective masks at all times and request that you also wear a mask whenever you are within 6 feet of another guest or our staff. Housekeeping in guest rooms will be provided only upon request.

THE ELEVATOR & POOL

Use of the elevator is limited to 2 people or a single party at one time. The swimming pool is currently closed due to County regulations and will be by reservation only to allow for proper social distancing and cleaning between guests.

SOUND VIEW GREENPORT & THE HALYARD RESTAURANT
